

# Lockwood's Paradigm<sup>®</sup> 005 Deadbolt is no ordinary lock!

This smart deadbolt has unique features including the exclusive LockAlert<sup>®</sup> safety indicator. A simple red and green window allows your customers to see the lock status at a glance. This indicator helps protect them from being accidentally locked inside. For peace of mind, provide your customers with the best in safety and home security.

Available in square and round rose designs. (see left)  
Finishes include Chrome Plate, Satin Chrome Pearl,  
Satin Chrome Brushed and Gold.
